From the Mistress Of Arts & Sciences:

Unto the gentles of Dun Carraig does Mary Isabel of Heatherstone send greetings. War! War! WAARRRR!!!
Oops...was that me?! The madness of war has apparently infected even the more artsy-fartsy folks of the Barony. In addition to the more obvious fighting activities scheduled, there are TONS of classes being offered this year! Most are cost little or nothing and offer you an opportunity to learn from teachers who have traveled from throughout the Known World. More information can be found at www.pennsicwar.org The SCA is founded on the foundations of Arts, Service and Fighting. Pennsic gives folks a chance to practice all three skills. I challenge every member of the Barony to attend at least one class during the war. There are even classes being held in the late afternoon and evening, so there's no reason not to pick up this particular gauntlet. For those already planning on attending classes, might I recommend a three-pronged approach? Take one class on a topic you love, and one class on a topic you know nothing about and one class that adds to your ability to participate in the SCA in general. This method promotes growth in all facets of your artistic development and ensures you have something to share with the rest of the Knowne World.

We've been on hiatus during August, but classes will be ramping up again come September. Please contact me if you would like to teach. I received a whopping "none" to my requests for teachers last month. While I like teaching, I am not the only person in the group with skills. If you value variety in the A&S classes offered in Dun Carraig, please step up and volunteer.

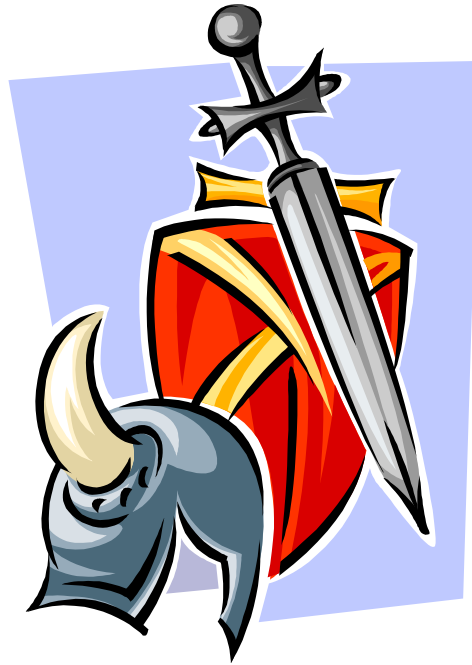

From the Chronicler:

Greetings Unto all Dun Carraig!

Thanks to all of the officers for getting me their reports by the meeting! It has helped a lot! Keep them coming!

In Service,
Lylie of Birkenhead

Proposal for Baronial Awards

We will vote on these in September!

Orders

Order of the Seahawk – Pre-eminent Order for the Barony. Granted to those who have proven themselves to be stalwarts of the Barony for supporting DC through their efforts in varied and diverse means

Order of the Emerald Flame – on going excellence in the arts and sciences

Order of the Sapphire Path – on going excellence in service

Order of the Silver Blade – on going excellence in any marshaled activity

Awards

Mark of Excellence – award given for specific achievement or action within the barony

Bànghlas Carraig (Green Stone) – given for a specific A&S achievement
bead color – green (color of the laurel wreath)

Guirme Carraig (Blue Stone) – given for a specific service or action
bead color – blue (color of the pelican background)

Gile Carraig (White Stone) – given for a specific armored/rapier achievement or action
bead color – white (color of a knight's belt)

The idea here is to create an award structure much like the Award of Arms, in that each discipline has its own award, and carries with it a

Mark of Excellence, just like an Opal carries with it an Award of Arms for example. The first time a person receives any of these awards they will receive a MoE and the cross bottony token that goes with it, as well as the bead that represents that award. With each successive award they will only receive the bead.

Others

Baroness's Award of Courtesy – awarded to an individual who has demonstrated exceptional courtesy to others

Company of Dun Carraig's Champions – A company for those who have served as baronial champions. With a medallion of red and white, Heater and Sword (armoured), Buckler and Sword (rapier), drawn Bow (archery), Lantern (A&S)

Order of the Seahawk

August Baronial Business Meeting

Tuesday, August 2, 2005

7:32 PM

Birthday—

- We are looking at Father Andrew White for a site.
- The principal will talk to Heather on Friday.
- There will be archery, rapier and heavy fighting.
- We still need a theme. If you have one let the autocrats know.
(possibly a Sea Journey)
- Need volunteers! Troll, reservations, kitchen, servers, etc.

Pennsic—

- There will be some extra land available in the Serengetti.
- Phillip still needs the footprints to set up camp.
- Bo said that the Highlands will be nicer and spaced out too.
- Heather has a meal plan. If you want to cook, talk to her.
- Phillip has a map for everyone to look at to give you an idea where everything is.
- If you have questions regarding what to pack, ask anyone who has been before.
- Kiri has a blue corduroy cloak. Free to a good home.

Baronial Orders—

- We will vote next month on the Baronial orders.
- The proposal is in this month's Clyffe Notes.
- Bo read a note from Tom regarding his opinion of the award restructure.
- READ THE PROPOSAL!
- We have already checked on some names with Heralds.
- Send any suggestions to the B & B ASAP!
- Checking on Order of Garnet and Sapphire Tower.
- Other things and ideas will be discussed on the list.

Pampered Chef registry—

- The website for this is www.pamperedchef.biz/laurahinkle.

- There will be a link on the Dun Carraig site to this site.

Baronial “Honey –Do List” —

- Rose is not here to discuss this. We will discuss it next month.

Polling—

- Prince Janos is reviewing the polls now.
- No idea when the results will be in.
- No matter what the results, we are a group of honor. Behave on the list!

Challenge—

- The site liked how we took care of the place.
- We need to move the date for Challenge to before the camping season. Most likely in May.
- Crown is the first weekend in May and Sapphire is the last weekend. Something to think about.
- We need to get the date into the Kingdom Calendar w/ SPIKE. Which means we need an autocrat, site and date!
- We will vote next month to move the date for Challenge.
- The local Baronies are trying to work together.
- We need an autocrat for Challenge!
- It will be another weekend event.

Closed list—

- Heather gets calls from other baronies (Ponte Alto, Storvik. . .) about our list being closed. She feels bad about having to tell our neighbors that they cannot be on the list.
- It was discussed that there could be a message list. James cannot run it.
- All officers can make an effort to get events on the website.
- People are requesting a push system. Shoot an e-mail that says, “This is what we are doing.”
- Serena says she can run a list, but not until after September 1st..
- We will vote on the message board next month.
- One time a month we can send our calendar to other baronies. Lylie can do that.

on honor. As such I would hope you realize your words reflect your honor. No matter what your personal opinion may be. I request you remain civil.

- I'd like to urge everyone to gather their thoughts together before the meetings and send a brief write up to Lylie to make life easier on her at the meetings. It will also help keep your report short and sweet.

Chataline—

- Welcome to Jeff and Charlotte who are officially moved into their new house in Charles county. Family moving from East Kingdom has run into some issues with selling their house - send good thoughts their way.
- Have run into a problem regarding contact with folks in other SCA groups wanting on our mailing list. We discussed at one time a "messages only" board to convey information like "fighter practice cancelled", or "special weaving workshop this weekend". Where are we going with this???? I am continually turning away people who want to play with our group.

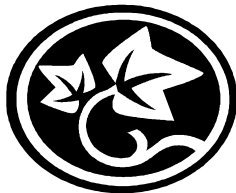

B&B—

- Atlantian Court is Wednesday night at 7 PM.
- Dun Carraig is having court with Ponte Alto at Ponte Alto's camp on Thursday night at 7:30 PM.
- Check out the Atlantian calendar.

MoM—

- We need a new MoM!

Meeting ended at 8:24 PM.
